KMC Europe 08

Uppsala University Main building,
Uppsala, Sweden

The 1st European Conference on the Kangaroo Mother Care method 6-7 October 2008

Main topic: *Why KMC in a high tech setting?*

Target group for the conference are persons involved in maternal and child health care, perinatal, neonatal, and pediatric care, and peer counsellors – irrespective of profession.

Key note speakers:

Nils Bergman, South Africa,
Nathalie Charpak, Colombia,
Melvin Konner and Susan Ludington, USA,
Kerstin Uvnäs Moberg and
Ann-Marie Widström, Sweden.

The 7th International Workshop on Kangaroo Mother Care arranged by the International Network for the Kangaroo Mother Care method 8-11 October 2008

Target group: Persons, involved in clinical work, education, administration or research – irrespective of profession. The number of participants is limited to 100 and will be distributed between countries to obtain optimal distribution.

Workshop goals: To discuss obstacles to and possibilities for KMC in high tech settings as well as in settings with limited resources, and the revised WHO guidelines for KMC, currently under preparation.

Welcome to Uppsala!

Uwe Ewald, Professor, Kerstin Hedberg Nyqvist, Assistant Professor
University Hospital, Uppsala, and Department of Women's and Children's Health, Uppsala University
